## HONORARY CHAIRMAN

John Gachina is the President, CEO and founder of Gachina Landscape Management. Founded in 1988, his "humble gardening company" grew from three people to over 350 employees. The company is proud to have won 161 local, state and national awards in the landscape industry.

John is extremely active in various local, state and national trade organizations. In 2009 he was awarded a lifetime membership status from CLCA. He is a founder of the landscape certification program. Outside of work, John enjoys golf, snow skiing, gourmet foods and wine and spending time with family and friends. Personally and through Gachina, John maintains a true commitment to the community. He is a PLANET AEF Ambassador, has been recognized as a Community Champion through JobTrain, as well as a supporter of numerous local charities. John is truly an inspirational leader and a devoted father, husband and friend.
